

The Old Forge Inn Carvery

Our carvery is available on Sunday lunchtime (12 to 3.30) and Monday lunchtimes (12 to 1.45).

We pride ourselves on the quality of our carvery. We use local suppliers for our vegetables and prep and cook all the vegetables ourselves on the premises. We use R. Owtons as our butcher and only ever use British beef some of which comes from their own herd. We normally have roast beef, roast turkey and honeyroast ham on the carvery although occasionally we may have to substitute one of these for roast pork if supplies of turkey or ham run low.

Bookings on a Sunday are advised as we are normally very busy, large parties can be catered for.
